Dear Kindergarten and First Grade Parent(s)/Guardian(s),

In order to continually improve, we are in need of your input for our School Improvement process. If you have access to the internet, we would appreciate it if you would fill out a survey that is directly related to Bertha Neal Elementary ONLY. If you have other children in different schools, there is a different survey specific to that building and information will be sent home by that school. You can access the Bertha Neal survey via the shortcut or QR code noted below (there is also a link on our homepage):

<https://www.surveymonkey.com/r/DurandBNParent2016-17>

This survey is for the parents of Kindergarten and First Grade students only.

If you do not have access to the internet, please send in the bottom of this note and I will send home a paper copy of this survey. We will also have computers available during Parent/Teacher Conferences this week so that you can complete it online.

Please complete this survey (either online or on paper and return it to the school) by Friday, November 18th. If you have more than one child at Bertha Neal, only **ONE survey needs to be completed – you can mark the appropriate grades and number of children at the end of the survey. This is a general survey about school performance and not specific to grade level.**

This survey is 100% anonymous. It does not ask for any identifying information, such as name or address. I would like to thank you in advance for your participation in this process! As always, your input is valued and essential for our school and district! Please complete your survey **TODAY!**

The Bertha Neal survey closes on Friday, November 18th.

Sincerely,

Hattie E. Rainer,
Principal | Preschool Director
