Picture Permission Form

Dear Parent/Guardian:

As part of your child's educational program, they will have the opportunity to participate in classroom activities/events (i.e. projects, bulletin boards, picture books, art work, etc.) as well as be included in the Inside Track (newspaper and online). We will publish photographs of your child only with your permission. Please consider the following options, then sign and return this form with your completed registration packet.

Guidelines

Published photographs will not include a child's phone number, address, names of other family members, or other personally identifiable information (unless given written permission by the parent/guardian).

Photographs will not include any information, which indicates the physical location of a student at a given time, other than attendance at a particular school or participation in school activity.

Photographs will not contain objectionable material or point directly or indirectly to objectionable material.

Photographs will conform to School Board policies and established District guidelines.

Additionally, documents must be edited and approved by a referring teacher and school principal or designee before publication.

Please check all that apply...
